Paint Interior of Emergency Hospital

General clean-up in the Emergency hospital pending painting to be commenced at once under the direction of the building committee of the police and charities building began this morning. Although this is the first time that painting of the hospital has been done during the year that the renovated wards have been in use, physicians say that it will undoubtedly follow every quarter hereafter. That seems congruous on walls and doors requiring application of paint about every three months is asserted by medical authorities. Requests to the building committee that this work

follow the accepted hospital standards have already been made.

Michael Bohan, 673 Broad street, aged 26, missed his footing on the street near his home yesterday, sustaining a sprained ankle. He was taken to the emergency hospital for treatment.

Solomon Smulowitz of New York, a singer and song writer, entertained the members of the Hebrew Boys club and their guests last evening in the sacred concert given at the Plaza theatre. He sang several selections and was well received.

The steamer St. Louis sailed for New York with 427 passengers, much the largest list in five months.

MASTER AND COOK BRING VESSEL TO PORT IN SAFETY

Mate Dies At Sea, Crew Deserts, and Storm Damages the Emma.

On Board U.S.S. Colorado, Mazatlan, Mex., May 3.—The American schooner Emma, of San Diego, has arrived at Mazatlan, Mex., with only Captain Clark and the ship's cook on board, and is being assisted by the United States cruiser Raleigh in repairing damages due to a storm.

The Emma sailed Feb. 2 from San Jose del Cabo, Lower California, for northern ports. She struck a sunken obstruction and then was driven by a storm into Socorro Island. Dennis O'Keefe, the mate, died on board ship enroute and was buried at sea. The rest of the crew deserted on the arrival of the Emma at Socorro.

The cruiser Chattanooga was designed to rescue the crew of eleven men wrecked on the schooner Annapolis who have been marooned on Guadalupe Island for several weeks.

Roberto Roberti, father of Rose, who is a coloratura soprano, Miss Lottie Bennett, contralto soloist of the Washington Park M. E. church, and Signor D. Carlinatore sang. The Bridgeport Marine band played. Prof. Vincenzo Procaccini, blind pianist, accompanied the singers.

FAIRFIELD

(Special to The Farmer.)

Fairfield, May 2.—The Quality Press shop in the Fairfield hotel building, was temporarily put out of business last night when a burglar or burglars entered the place and stole metal. Type was taken, which was already for the completion of several orders and the printing shop proprietor, Vincent Nesses, estimates his loss for this reason, at about \$100. The cellar door was entered by the marauders. Copper and brass were piled near the door of the cellar but it was not taken away, probably because of some occurrence that hastened the get-a-way of the visitors.

The engagement of Walter Jennings son of L. A. Jennings, and Viola, daughter of Mr. and Mrs. Richard MacDonald has been announced.

Members of the Fairfield Equal Franchise league are planning for an educational campaign to be held this summer in Fairfield. A hall will be leased and lectures relating to suffrage will be given.

Sheriff H. R. Elwood garnished \$25 owned by George J. of Southport Saturday in a suit brought by Nicola Garofalo, groceryman of Southport, against Michael Frank for an alleged unpaid bill. Frank said Kish owed him money, and therefore he could not pay his grocery bill. The case will be heard next week before Judge Bacon Wakeman.

A CLEAR COMPLEXION Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets; you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, sallow look, dark eyes, pimples, constipation, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women, as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.
